OLUMIDE MICHAEL MEMOFOYI

PERSONAL PROFILE

Dedicated, physically fit, creative, commanding and ball playing defender committed to helping the team reach its season's objectives, winning trophies and upholding the team's historical legacy. Demonstrated leadership and organization at the heart of the defense, resulting in a league record of 6 goals conceded throughout the 2021/2022 season in the Nigerian league 4th Division. Due to commitment to rigorous training and possession of empathy, I enjoy coaching young academy team substitutes and fringe players aiming for a spot in their team's first eleven.
